**CARE TO SHARE**  
**PATIENT REFERRAL PROGRAM**

**Get a \$25 Patient Referral Credit!**

Refer a new patient to our office and, as a way of showing our appreciation, we will give you a \$25 credit that you can apply toward any Dublin Dental Associates product or service. There is no limit to the number of new patients you can refer. You'll get a credit for each and every new patient you send our way.

**Here's How it Works.**

In order to receive your \$25 credit your referral patient must schedule a new patient exam with us. When they come in for their visit, you will earn a referral credit.

Fill out the form below and give it to your friend or family member to bring along to their first appointment.
